## TO THE PUBLIC

The Clayton County Agricultural Society, sponsor of the Clayton County Fair, extends a cordial invitation to attend its annual showing this year.

Consistent with the reason for its origin as outlined in its constitution "to promote the agricultural, mechanical and household arts of Clayton County, Iowa," it hopes to present its finest showing in many years.

An organization such as ours, which has been a part of the life of Clayton County for the past century, still has its appeal to the hearts of all. We believe that the Clayton County Fair is as necessary in this modern, fast moving age as it has been in the past. Many county fairs have been discontinued because of lack of attendance and support.

We do not believe that here in Iowa's finest county this condition could exist, and, because interest and attendance show a definite upward trend, we are outlining plans which will make each year's fair a better one.

When the pioneers arranged for an annual friendly competition of the fruits of farm, field and home, the idea of a few days of fellowship was uppermost in their minds. They gathered together in a friendly atmosphere, bringing the best they had produced and made, to meet old friends and to secure new ideas.

It is in this spirit that we extend our invitation and we know that, whether you participate as an exhibitor or spectator, you will find our welcome sincere.
